

Important! Guidelines on provision of correct details for SWIFT transfers.

1. For payment at PrivatBank, the sender needs to pay special attention to completing the following fields when creating a SWIFT-payment:

- full name and address (including zip code);
- full details of payment.

- If the sender is a natural person, you must specify to whom the payment is sent. When translating a relative you must specify the degree of relationship (private translation brother, father, etc.).

- If the sender is a legal person, it is necessary to specify, for what goes payment (salary, royalties and so on. D.). In the absence of mandatory requisites translation will not be credited to clarify details of the payment.

2. Transfer to the account of individual operations may be carried out on the non-commercial nature and does not apply to transfers related to investment and entrepreneurship.

3. For efficient transfer of the translation is strongly recommended to coordinate with the sender of the transfer currency - must match the currency of your card. In case you do not have a card in the same currency in which you would like to receive the transfer, it is desirable that he was sent to the United States dollars (USD) or Euro (EUR).

Attention! To credit a transfer for which the details have been specified incorrectly, the banks may carry out a reclamation correspondence, the commission fee for which will be withdrawn from the transfer amount. In this regard, please, pay attention to the correctness of details provided for SWIFT payment receipt. Make sure you have correctly informed the beneficiary of your personal information! PrivatBank recommends that you use the following forms to provide the details for transfer receipt in foreign currency on your account:

Table with details for cards opened in EUR:
