1. The transfer may be a part of non-commercial transactions and not apply to investment or business activities. Therefore, for your convenience, please don't indicate references to invoices/contracts as a payment purpose.
2. To ensure prompt transfer receipt, we strongly recommend that you coordinate the transfer currency with the sender - it must be the same as your card currency. If you don't have a card in the desired transfer currency, it is preferable that the transfer is made in US dollars (USD) or euros (EUR).

Therefore, you should pay close attention to submission of correct details for SWIFT payments receipt. Make sure that you provided the Beneficiary with correct personal information.
